Proposed Amendments to the Constitution of Missouri

To be submitted to the qualified voters of the State of Missouri at the Special Election to be held on Tuesday, the 4th day of August, 2026.

CONSTITUTIONAL AMENDMENT NO. 1
[Proposed by Article IV, Section 47(c), Missouri Constitution (SJR 1, 2005)]

OFFICIAL BALLOT TITLE:
Shall Missouri continue for 10 years the one-tenth of one percent sales/use tax that is used for soil and water conservation and for state parks and historic sites, and resubmit this tax to the voters for approval in 10 years?
The measure allows continued collection of the existing sales and use tax, which generates revenue of approximately \$140 million annually.

Article IV, Section 47(c) of the Missouri Constitution:

Section 47(c). Provisions self-enforcing, exception—not part of general revenue or expense of state—effective and expiration dates.—[The effective date of this amendment shall be November 8, 1998.] All laws inconsistent with this amendment shall no longer remain in full force and effect after the effective date of this section. All of the provisions of Sections 47(a), 47(b) and 47(c) shall be self-enforcing except that the General Assembly shall adjust brackets for the collection of the sales and use taxes. The additional revenue provided by Sections 47(a), 47(b) and 47(c) shall not be part of the “total state revenue” within the meaning of Sections 17 and 18 of Article X of this Constitution. The expenditure of this additional revenue shall not be an “expense of state government” under Section 20 of Article X of this Constitution. [This Section 47(a), 47(b) and 47(c) shall terminate after ten years following the effective date of this amendment.] Upon voter approval of this measure in a general election held in 2006, or at a special election to be called by the governor for that purpose, the provisions of this section, 47(b), and 47(a) shall be reauthorized and continue until a general election is held in 2016 or at a special election to be called by the governor for that purpose. Every ten years thereafter, the issue of whether to continue to impose the sales and use tax described in this section shall be resubmitted to the voters for approval. If a majority of the voters fail to approve the continuance of such sales and use tax, Section 47(a), 47(b), and 47(c) shall terminate at the end of the second fiscal year after the last election was held.

OFFICIAL BALLOT TITLE:
Shall the Missouri Constitution be amended to:
• Modify current requirements that a statewide majority of voters may approve initiative petitions to amend the constitution;
• Require a majority of voters in each congressional district to approve initiative petitions to amend the constitution; and
• Make available to each voter the full text of initiative petitions with their ballot?
The Department of Corrections estimates increased annual costs of up to \$21,817. The Office of State Public Defender estimates an unknown fiscal impact. Other state governmental entities estimate no costs or savings. Local governmental entities estimate no costs or savings.

Submitting to the qualified voters of Missouri an amendment to Article

III of the Constitution of Missouri, by adopting one new section relating to ballot measures, with penalty provisions.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2026, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to Article III of the Constitution of the state of Missouri:

Section A. Article III, Constitution of Missouri, is amended by adopting one new section, to be known as Section 54, to read as follows:

Section 54. 1. This section shall be known as the “Protect Missouri Voters” amendment.

2. For purposes of this section, a statewide ballot measure shall mean any measure submitted or proposed to be submitted to the voters of the state under articles III or XII of this constitution.

3. (1) No political committee that makes expenditures or contributions in support of or in opposition to a statewide ballot measure shall knowingly or willfully receive, solicit, or accept, whether directly or indirectly, contributions from a foreign adversary of the United States or a foreign national. No foreign adversary of the United States or a foreign national shall make any contribution or expenditure in support of or in opposition to a statewide ballot measure.

(2) For purposes of this section:

(a) A foreign adversary of the United States shall be defined as:

a. Any national, provincial, or local government or any entity that is directly or indirectly controlled or owned by a government or that directly or indirectly controls a government or a political party of a foreign country designated as a foreign adversary by the United States Secretary of State from the time such designation is published in the Federal Register until revoked; or

b. Any individual who is a citizen of a foreign country meeting the requirements of subparagraph a of paragraph (a) subdivision (2) of subsection 3 of this section and who is not a United States citizen or lawful permanent resident;

(b) A foreign national shall be defined as any individual who is not a citizen or lawful permanent resident of the United States of America.

(3) Any violation of this subsection shall be punishable by imprisonment for up to one year or a fine of up to one thousand dollars or both, plus an amount equal to three times the illegal contributions. The attorney general shall have exclusive criminal jurisdiction.

(4) The general assembly may by law:

(a) Enact laws to implement the restrictions of this subsection, or enact further restrictions to implement this subsection;

(b) Enact restrictions on foreign support for or opposition to Missouri ballot measures;

(c) Enact reporting requirements regarding foreign support for persons or committees that oppose or support ballot measures; and

(d) Provide for the investigation and enforcement of the provisions of any such enactments, or of this subsection including, but not limited to, criminal penalties or civil remedies.

4. (1) Any person who commits any of the following acts with respect to a petition on a statewide ballot measure is guilty of the crime of petition signature fraud:

(a) Signs any name other than his or her own to any petition, or who knowingly signs his or her name more than once for the same measure for the same election, or who knows he or she is not at the time of signing or circulating the same a Missouri registered voter and a resident of this state;

(b) Intentionally submits petition signature sheets with the knowledge that the person whose name appears on the signature sheet did not actually sign the petition;

(c) Causes a voter to sign a petition other than the one the voter intended to sign;

(d) Forges or falsifies signatures; or

(e) Knowingly accepts or offers money or anything of value to another person in exchange for a signature on a petition.

(2) Any person who knowingly causes a petition circulator’s signatures to be submitted for counting, and who either knows that such circulator has violated subsection 1 of this section or, after receiving notice of facts indicating that such person may have violated subsection 1 of this section, causes the signatures to be submitted with reckless indifference as to whether such circulator has complied with subsection 1 of this section, shall also be deemed to have committed the crime of petition signature fraud.

(3) The crime of petition signature fraud shall be punishable by imprisonment for up to one year or a fine of up to one thousand dollars or both. The attorney general shall have exclusive criminal jurisdiction to prosecute under this section.

5. At a reasonable time and place after an initiative petition is submitted with signatures and before a petition is placed on a ballot, the secretary of state or the secretary’s designee shall conduct one or more in-person or web-based hearings to receive additional public comment regarding the purpose and effect of the proposed measure. Transcripts or summaries of the hearings shall be made available to the public no later than seven days after the hearing is conducted and before the petition is placed on the ballot.

6. Notwithstanding Sections 51 and 52(b) of this article and Article XII, Section 2 (b) of this constitution, statewide ballot measures to amend the constitution that are proposed by initiative petition are approved only if affirmative votes are cast by a majority of voters in each congressional district in effect at the time of the vote.

7. The full text of any statewide ballot measure proposed by the initiative shall be made available to each voter, either legibly printed on paper or in digital format, at the time a ballot is made available to the voter for voting. This requirement is in addition to, and does not replace, all other printings and displays of the full text and the ballot title required under this constitution or by law. The secretary of state is expressly authorized to promulgate rules consistent with rule making authority under Missouri law to implement and administer the provisions of this subsection.

8. The provisions of this section are self-executing. All of the provisions of this section are severable. If any provision of this section is found by a court of competent jurisdiction to be unconstitutional or unconstitutionally enacted, the remaining provisions of this section shall be and remain valid.

Section B. Pursuant to chapter 116, and other applicable constitutional provisions and laws of this state allowing the general assembly to adopt ballot language for the submission of this joint resolution to the voters of this state, the official summary statement of this resolution shall be as follows:

“Shall the Missouri Constitution be amended to:
• Stop foreign nationals and foreign adversaries of the United States from providing funding to influence ballot measure elections, and allow criminal prosecution of violators;
• Punish initiative petition signature fraud as a crime;
• Require public hearings be held to get public comment before initiative petitions are placed on the ballot;
• Require a majority of voters in each congressional district to approve initiative petitions to amend the constitution; and
• Make available to each voter the full text of initiative petitions with their ballot?”

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.

CONSTITUTIONAL AMENDMENT NO. 5
[Proposed by 103rd General Assembly (Second Regular Session) SS SCS HCS HJR 173 & 174]

OFFICIAL BALLOT TITLE:
Shall the Missouri Constitution be amended to:
• Require legislative phase-out of the individual state income tax based on revenue growth, and authorize the expansion of sales and use taxes;
• Curtail constitutional limits on taxing goods and services; and
• Require local tax rate cuts without reducing school funding if local sales tax revenue increases?

The proposal has no direct impact on state or local tax revenue. If passed, implementing legislation will have an unknown impact to state and local tax revenue. If implemented, state government entities expect a reduction of \$57,000 annually in income tax check-off donations and implementation costs of at least \$100,000.

Submitting to the qualified voters of Missouri an amendment repealing Sections 4(d) and 26 of Article X of the Constitution of Missouri, and adopting two new sections in lieu thereof relating to taxation.

Be it resolved by the House of Representatives, the Senate concurring therein:

That at the next general election to be held in the state of Missouri, on Tuesday next following the first Monday in November, 2026, or at a special election to be called by the governor for that purpose, there is hereby submitted to the qualified voters of this state, for adoption or rejection, the following amendment to Article X of the Constitution of the state of Missouri:

Section A. Sections 4(d) and 26, Article X, Constitution of Missouri, are repealed and two new sections adopted in lieu thereof, to be known as Sections 4(d) and 26, to read as follows:

Section 4(d). 1. In enacting any law imposing a tax on or measured by income, the general assembly may define income by reference to provisions of the laws of the United States as they may be or become effective at any time or from time to time, whether retrospective or prospective in their operation. The general assembly shall in any such law set the rate or rates of such tax. The general assembly may in so defining income make exceptions, additions, or modifications to any provisions of the laws of the United States so referred to and for retrospective exceptions or modifications to those provisions which are retrospective.

2. Notwithstanding any provision of this constitution to the contrary, the general assembly shall enact legislation to reduce and eliminate the state individual income tax by requiring reductions to the top rate of the individual income tax based on revenue growth until such tax is eliminated. Upon the elimination of the individual income tax, the general assembly shall be prohibited from enacting or imposing any state individual income tax.

Section 26. 1. In order to prohibit an increase in the tax burden on the citizens of Missouri, state and local sales and use taxes (or any similar transaction-based tax) shall not be expanded to impose taxes on any service or transaction that was not subject to sales, use or similar transaction-based tax on January 1, 2015.

2. (1) Notwithstanding any provision of this constitution to the contrary, including subsection 1 of this section, for the purpose of reducing and eliminating the state individual income tax and reducing local tax rates, state and local sales and use taxes (or any similar transaction-based tax) may be expanded by legislation to impose taxes on transactions involving any goods and services. For the purposes of this section, the phrase “for the purpose of reducing and eliminating the state individual income tax and reducing local tax rates”, with respect to legislation enacted by the general assembly, means that the legislation expressly states the general assembly’s finding that such legislation will directly lead to the reduction and elimination of the state individual income tax as provided in subdivision (2) of this subsection, and will directly or indirectly lead to the reduction of local tax rates as provided in subsection 3 of this section.

(2) Any expansion of the sales and use tax base or increase in the state sales and use tax rate enacted for the purpose of reducing and eliminating the state individual income tax and reducing local tax rates shall be offset in the same legislation by a reduction in the top rate of individual income tax that reduces such tax revenues, less refunds, by an amount that is at least substantially equal to revenues generated by such expansion of the sales and use tax base or increase in the state sales and use tax rate, and, if such legislation is enacted within five years of the effective date of this amendment, shall not be considered new annual revenue for the purposes of Section 18 (e) of this Article and shall be exempt from the provisions of Article IV, Sections 30(b), 30(c), and 30(d) of this Constitution.

3. (1) Notwithstanding any provision of this constitution to the contrary, beginning twelve months from the effective date for legislation in which the general assembly expands the sales and use tax base pursuant to subsection 2 of this section, any political subdivision that imposes a sales or use tax shall, in the manner provided by law enacted by the general assembly, make a one-time adjustment to one or more of the following rates of tax imposed by the political subdivision to reduce the amount of revenue generated thereby in an amount that is substantially equal to ninety-seven percent of the additional revenue produced by any expansion of the sales and use tax base authorized by this section:

(a) The sales and use tax rate;
(b) The levy imposed on property in class 2;
(c) The levy imposed on property in subclass (1) of class 1;
(d) The levy imposed on all class 1 property if such political subdivision imposes a single rate of levy on all such property; or
(e) The rate of any tax imposed on earnings.

(2) Notwithstanding the provisions of subdivision (1) of this subsection to the contrary, no political subdivision shall adjust its local tax rates in a manner that results in any reduction in funding to any public schools within, or serving, such political subdivision.

4. Notwithstanding any provision of this constitution to the contrary, beginning twelve months from the effective date for legislation in which the general assembly expands the sales and use tax base pursuant to subsection 2 of this section, each sales and use tax rate imposed directly by this constitution, with the exception of the rate imposed under Article XIV of this Constitution, shall, in the manner provided by law enacted by the general assembly, be adjusted in order to reduce the amount of tax in an amount substantially equal to the amount of tax produced by any sales and use tax base expansion authorized by this section. The state auditor shall be responsible for calculating the reduced rates that will go into effect as provided in this subsection.

Section B. Pursuant to chapter 116, and other applicable constitutional provisions and laws of this state allowing the general assembly to adopt ballot language for the submission of this joint resolution to the voters of this state, the official summary statement of this resolution shall be as follows:

“Shall the Missouri Constitution be amended to:
• Phase-out the individual income tax based on revenue growth;
• Reduce personal property and other local taxes when local revenues increase;
• Modify the sales and use tax to eliminate income tax and reduce local taxes; and
• Protect local funding for public schools and other purposes?”

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in bold-face type in the above bill is proposed language.
